DONATIONS FOR MEDICAL TRAUMA KITS TO UKRAINE

THE CAMPAIGN

WE ARE COLLECTING DONATIONS
to purchase Stop the Bleed (STB) medical trauma kits,
and TO SEND THEM TO UKRAINE ON A MONTHLY / PERIODIC BASIS.

These medical trauma kits are crucial to survival as Russian forces continue to indiscriminately bomb and destroy Ukrainian towns, children, women, and men.

Saint Vladimir's Hope Fund has taken the following steps to provide medical trauma kits to Ukraine:

- 1) Hope fund has purchased 118 STB kits at a cost of \$10,000, and the kits were personally transported to Ukraine through Poland by our church member Hryhoriy Telizhenko;
- 2) Hope Fund has donated \$10,000 to Plast Ukrainian Scouts for their ongoing initiative purchasing medical trauma kits and transporting them to Ukraine;
- 3) Hope Fund has received a \$5,000 donation from Maryland and purchased 58 STB kits that are expected to be sent to Ukraine in approximately three weeks.

THANK YOU FOR CONTINUING TO HELP!

GLORY TO UKRAINE AND ITS HEROES!
